

**Sixth Annual
Silicon Valley Irish Fleadh**

**May 11th – 12th, 2019
Downtown Mountain View**

The Silicon Valley Irish Fleadh is proud to present its 2019 edition of its annual festival.

The word Fleadh, pronounced "Fla", is the Gaelic word for Festival. It is a gathering and celebration of Irish culture and traditions bringing people together to share festivities, happiness and joy. Returning to downtown Mountain View for its fourth year, the Silicon Valley Irish Fleadh expands upon the famous traditional Irish hospitality to embrace and encompass all our surrounding communities.

This two-day event will feature Irish performers both traditional and modern, Irish dancers, Irish arts & crafts, Irish food vendors and a Kids' Zone.

The event is hosted by St. Stephen's Green Irish Foundation, a non-profit 501 (c)(3), which promotes Irish heritage in the community. Beneficiaries from the foundation have been Mountain View Veterans Memorial, Community Health Awareness Council, Berkeley Tragedy Fund and Mountain View Education Foundation.

You can be part of this unique event and become a sponsor of the 2019 Silicon Valley Irish Fleadh.

Based on the sponsorship level selected, Sponsors can receive recognition on the event web site, featured signage at the event and various festival benefits. In addition, there are advertising opportunities in the sponsoring program.

Please complete the attached sponsorship form and submit it with your donation no later than March 27th, 2019 to ensure proper recognition in the event program and advertising. Donations are tax deductible (Tax ID 47-2471182).

Thank you for your consideration and support!
